Reproduced 1923 Bauhaus chess pieces Only Absract set -Ebonised Boxwood -2" King

PRODUCT DESCRIPTION

Bauhaus Chessmen are a faithful reproduction to the original design by Bauhaus sculptor Josef Hartwig. The design transforms pieces into geometric symbols based on their functions.

The thought behind this design was that the shapes and symbols of cubes, cylinders and balls should lead you move by move to checkmate.

The original Bauhaus design was sold in two versions, a "daily use" version and a hand-made "luxury" version. Our design is a reproduction of the Handmade Luxury Version.
